About this sample. No client — format example only. Supplier names and listing data are real public pages; prices are public listing ranges, not written quotes. Not a recommendation to buy or a quality guarantee. In a paid order the columns are filled with each factory's written reply to our RFQ.

Red flags we mark on real replies in this category

- Container material (PP/PET/PETG/glass) not stated on the quote
- Pump/airless compatibility with your formula not confirmed in writing
- Decoration (silk-screen, hot-stamp) MOQ higher than the bottle MOQ
- Food-grade / cosmetic-grade material declaration missing

Compliance notes to check

- Formula rules (EU CPNP / US MoCRA) apply to the filler, not the bottle supplier; packaging should carry required labelling

Korean option

Korean cosmetic OEM/ODM makers (Cosmax, Kolmar Korea, Cosmecca Korea) for 'Made in Korea' formulas; MOQ not published.

What the paid $299 comparison adds

- Written Chinese + English RFQs to 6–8 matched factories; only written replies go on the sheet.
- At least 3 written replies side by side: factory vs trader, registry check, MOQ, sample fee, unit price, lead time, Incoterm, mismatch flags.
- Turnaround 7–10 business days. Reply guarantee: fewer than 3 written replies after 15 business days = $100 back per missing reply; 0 replies = full refund.
- You keep the email trail, choose the factory, and pay it directly. We never hold your money.

Limits: desk research and written contact only. No calls, no factory visits in China. Third-party inspection can be quoted separately. Business licence (USCC) to be checked on gsxt.gov.cn before any payment.
