> **About this sample.** No client — format example only. Supplier names and listing data are real public pages; prices are public listing ranges, not written quotes. Not a recommendation to buy or a quality guarantee. In a paid order the columns are filled with each factory's written reply to our RFQ.

- Colour reference (Pantone/TCX) or swatch
- Yardage per colour
- Use (activewear, bedding, bags)

Written RFQ questions (EN + ZH, sent by email / platform message)

- Price per metre/yard at MOQ and at 2x MOQ
- Stock vs. made-to-order and lead time
- Swatch / hanger availability and cost
- Colour fastness and shrinkage test data
- Can they ship small yardage to a different cut-and-sew factory?

Red flags we mark on real replies in this category

- Price per metre vs per yard vs per kg mixed up

- Width (cuttable vs full) not stated
- Lab-dip / strike-off cost and rounds not agreed in writing
- Stock-lot fabric offered as 'made to order'

Compliance notes to check

- Ask for OEKO-TEX or test reports if the end product is for kids or skin contact

Korean option

Korean mills via SwatchOn (public price bands, low yardage) for performance poly blends; see factories_kr.csv.

What the paid $299 comparison adds

- Written Chinese + English RFQs to 6–8 matched factories; only written replies go on the sheet.
- At least 3 written replies side by side: factory vs trader, registry check, MOQ, sample fee, unit price, lead time, Incoterm, mismatch flags.
- Turnaround 7–10 business days. Reply guarantee: fewer than 3 written replies after 15 business days = $100 back per missing reply; 0 replies = full refund.
- You keep the email trail, choose the factory, and pay it directly. We never hold your money.

Limits: desk research and written contact only. No calls, no factory visits in China. Third-party inspection can be quoted separately. Business licence (USCC) to be checked on gsxt.gov.cn before any payment.
